Mirror, Mirror Movie Questions

Directions: Consider these questions as you watch the movie.

1. How does the music used during the movie help the film become more of a fairy tale? In other words, how does the music/soundtrack support the genre of the film?

2. How is Snow-White's character different in this adaptation? Does she share ANY similarities with the Snow-White in the Grimm short story or in Creepy's poem?

3. What elements of fairy tales still exist in this movie? List the elements and then give exact examples.

Name: _____

Period: _____

4. Why do you think the screenwriter (the person who wrote the script) chose to make the dwarfs bandits in this film?

5. How does making the Prince a more important, prominent character change the story? Does it make it more of less of a fairy tale?

6. What is the lesson we are supposed to learn after watching the film? What is the theme?
